GENERAL INFORMATION

1. Overview

This Request for Proposal (“RFP”) has been issued by the Board of Trustees of the Alabama Trust Fund (“Board”). The Board solicits proposals from qualified professional firms interested in providing international small cap equity investment management services (“the Manager”) to the Alabama Trust Fund.

Candidate firms should have expertise in actively managing portfolios in the international small cap equity core/value or value style. The goal is to identify managers who have shown the ability to add value over record of performance the MSCI World Small Cap ex-US Index over the long-term.

This Request for Proposals (hereinafter “RFP”) is issued in accordance with the requirements of Section 41-16-72(4), Code of Alabama (1975). This RFP is not an offer to contract but seeks the submission of proposals from qualified, professional firms that may form the basis for negotiation of an Investment Management Agreement with one or more Investment Managers. *The Board reserves the right to reject any or all proposals and to solicit additional proposals if that is determined to be in the best interest of the Alabama Trust Fund.*

The Board’s Investment consultant, Callan Associates (“Consultant”), will be receiving and analyzing all responses from this manager search. To expedite the review process, all candidates firms must have certain information in the Callan manager database. There is no charge associated with this process. Please contact Kyle Fekete at 415-291-4133 to receive information about this process.

2. History of the Alabama Trust Fund

The Alabama Trust Fund (“ATF”) was created by Amendment 450 to the Alabama Constitution and ratified in 1985. The ATF was established as an investment vehicle for the management of oil and gas capital payments generated from drilling activity in Alabama’s offshore waters. The ATF is under the management and control of a nine member board. The board consists of the Governor, Finance Director, State Treasurer and six appointed members.

The ATF strives to provide an annual total return greater than the annual amount to be distributed under the spending policy, currently 5%. As of March 2017, ATF invested assets totaled approximately \$3 billion. The portfolio is managed by 21 professional managers investing the assets among the asset classes of fixed-income, domestic equities, international equities, global equities and real estate. Additional asset classes may be considered in the future.

Information about the ATF, including the current Investment Policy and Manager Guidelines, is available at the Treasurer’s website www.treasury.alabama.gov.

Any RFP response submitted that contains confidential trade secrets or proprietary commercial information must be conspicuously marked on the outside as containing confidential information, and each page upon which confidential information appears must be conspicuously marked as
