RE: **FY24 Annual Report of PACT, CollegeCounts 529 & ABLÉ Programs**

In accordance with *Act No. 2010-725* and Section 16-33C-12, Code of Alabama, regarding Alabama's Prepaid College Tuition (PACT), the CollegeCounts 529 and the Achieving a Better Life Experience (ABLE) programs, I am pleased to provide an annual accounting of the programs for FY24.

PACT Program Highlights:

- Actuarial funded ratio of 380.6%
- Active accounts of 4,947

PACT pays the lesser of the 2010 adjusted rates and the actual tuition and mandatory fees. The Board approved a 4% increase for 2024 with the purpose of having all schools able to receive full tuition and mandatory fees, marking the tenth consecutive increase in tuition and fees.

PACT remains actuarially sound, and operations continue to run efficiently and cost effectively.

CollegeCounts 529 Fund Highlights:

- Total assets of \$2.773 billion representing 121,076 accounts
- Alabama assets of \$1.988 billion representing 77,969 accounts

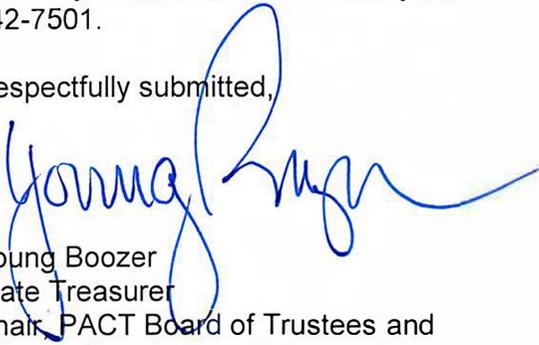

ABLE Program Highlights:

- Assets of \$5.933 million in 1,229 active accounts

The FY 2024 Actuarial Report and annual audit of the PACT Program, as well as end of year reports for the Savings Board (CollegeCounts and ABLÉ Programs) are available on the State
